

United States Department of State

*Washington, D.C. 20520*

OCT 26 2007

Dear Madam Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles and defense services in the amount of \$50,000,000 or more.

The transaction described in the attached certification involves the export to Australia of technical data and assistance in the manufacture of water coolers and supporting material for the Spy-ID Radar for end use in Navy programs for the governments of Australia, Japan, Korea, Spain and the United States.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, reading "Jeffrey T. Bergner".
